

# SqwidNet **IOT Bundle**

Getting started

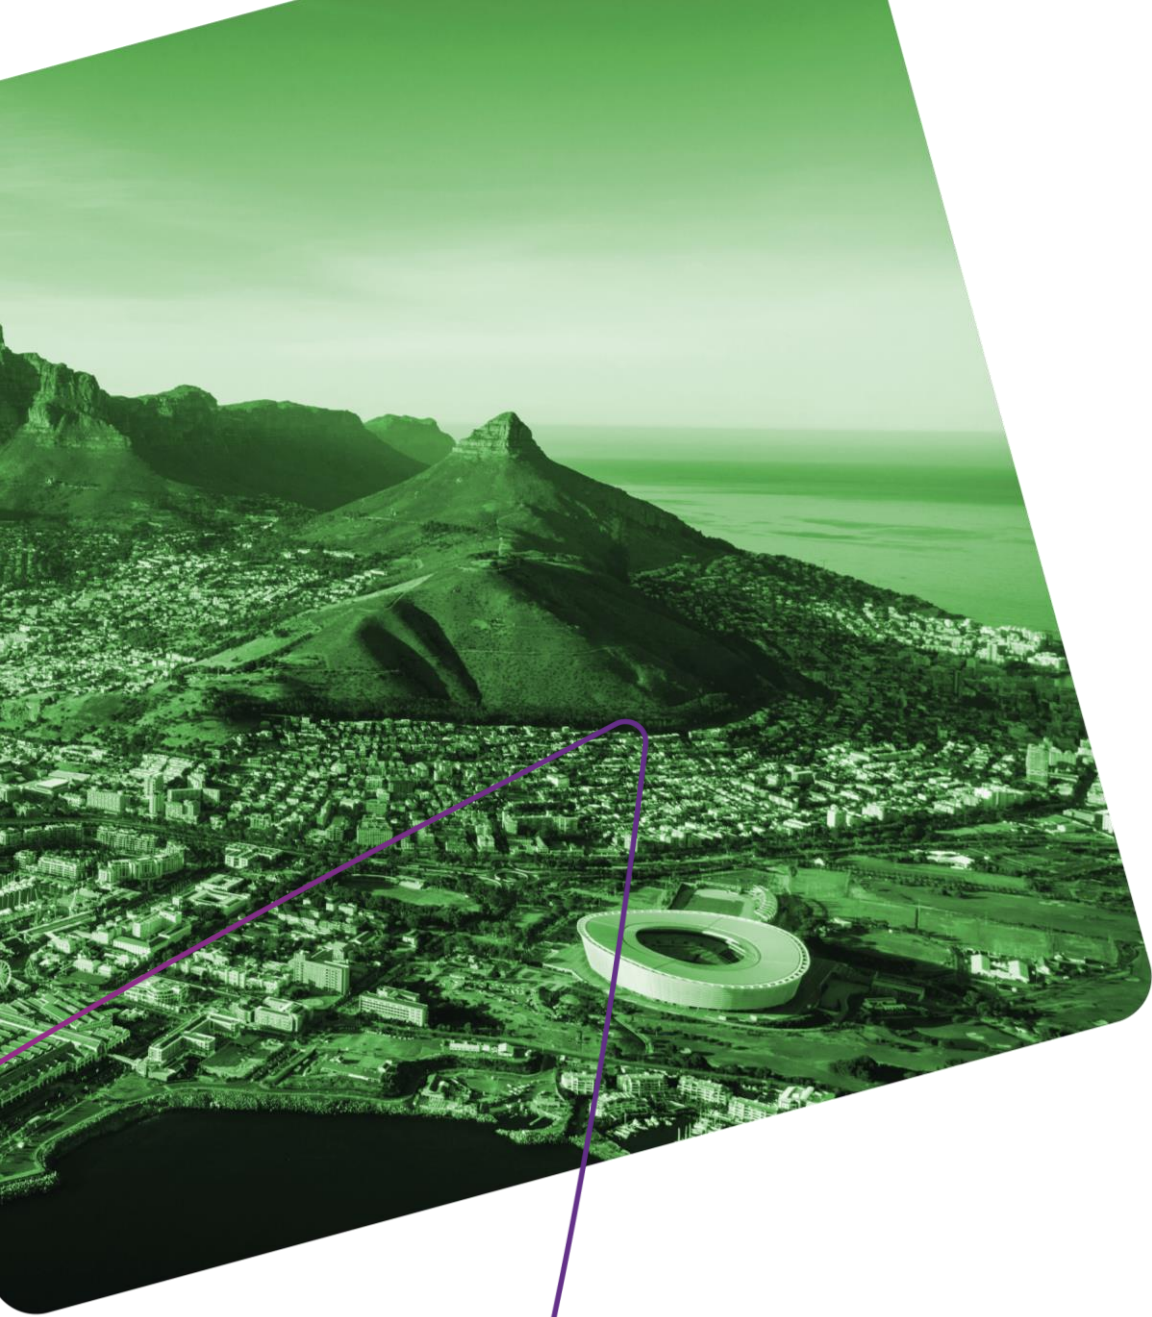

**SqwidNET**  
A DFA COMPANY

# How do I use the content in these folders?

- The “Sales Pack” folder contains material that you can share with your customer
  - Tailor the presentation
  - Work out your pricing
  - Take it to the customer
- The “Partner Tools” folder contains the wholesale pricing breakdown to Channel Partners
  - The online pricing tool will be made available on the sqwidnet website

Thank You
